## THE DESIGN HAUS

meet our inclusive & renowned team of vendors who are acclaimed in their respective services with over 40+ years combined industry experience

Walters' Team

## Floral Services

Our team consists of experts within the industry, and florists who have been featured in the national magazine [Florist Review](#) as the top 35 Florists Under 35.

Each floral experience is curated with passion, innovation, and personalization for your corporate event, wedding, or any celebration – big or small.

From conception to creation, our team provides the necessary organization, planning, and execution needed to create breathtaking floral arrangements!

## A love note from one of our clients:

"They are not like other florists - they are incredibly talented designers and visionaries. Their team handles stress well and works efficiently. A key trait that made me go for them was how detail oriented they were. I am so glad I found their team! They go the extra mile to make sure your day & all of your wedding events are perfect. Thank you for such a beautiful day!"

## EMILY CHAPPELL PRODUCTIONS

meet our inclusive & renowned team of vendors who are acclaimed  
in their respective services with over 40+ years combined industry  
experience

Emily from Emily Chappell Productions

## Photography Services

A mama of two and a full-time photographer by trade, Emily began photographing weddings almost ten years ago. After her very first wedding, she immediately fell in love and decided to focus exclusively on couples and their most joyful day yet.

Her mission is providing not just beautiful images, but a seamless and unforgettable experience that puts couples at ease while their memories are preserved for generations to come.

As the Creative Director, Emily has grown an associate team of skilled photographers who are thrilled to be a part of Walters Wedding Estates and cannot wait to capture your big day!

With Emily Chappel Productions, you receive 8 hours of professional photography services and a full digital wedding album.

## A love note from one of our clients:

"Emily has gone above and beyond to get to know us and our story, which makes her work that much more personal and intentional. She brings the energy, listens to our ideas, and brings a creative way of showcasing our personalities and stories in her work. Emily is the real deal and we couldn't recommend a better person to capture the big day."
