WALTERS WEDDING ESTATES

plan with confidence at Walters Wedding Estates alongside our expert team of Planning Representatives that design your dream event and Coordinators that will deliver your exceptional experience.

Walters' Team

Planning Team Services

Facilitate meetings throughout the planning process to create a vision, design a plan, and finalize all of your wedding day details

Communicate with in-house vendors to design and organization day-of services

Customize a day-of timeline and a floor plan layout of the reception space

Day-of-Event Coordination Services

Schedule a final meeting call to gather final guest count and last minute details

Coordinate and facilitate a one hour on-site rehearsal prior to wedding day

Coordinate and ensure the overall success of the ceremony and reception

Collaborate with vendors to help facilitate the day-of timeline

Collaborate with the Operations team to ensure exceptional service with catering and bar services

A love note from one of our clients:

"They were great at communication which was important to me and all of the vendors and coordinating services that they provide was outstanding. It made the process of planning much easier for me and much more enjoyable!"

-Brynnlee and Thomas

experience

Emily from Emily Chappell Productions

Photography Services

A mama of two and a full-time photographer by trade, Emily began photographing weddings almost ten years ago. After her very first wedding, she immediately fell in love and decided to focus exclusively on couples and their most joyful day yet.

Her mission is providing not just beautiful images, but a seamless and unforgettable experience that puts couples at ease while their memories are preserved for generations to come.

As the Creative Director, Emily has grown an associate team of skilled photographers who are thrilled to be a part of Walters Wedding Estates and cannot wait to capture your big day!

With Emily Chappell Productions, you receive 8 hours of professional photography services and a full digital wedding album. Videography add-ons also available, ask your Planning Representative for more information!

Learn more about Emily Chappell Productions [here!](#)

"Emily has gone above and beyond to get to know us and our story, which makes her work that much more personal and intentional. She brings the energy, listens to our ideas, and brings a creative way of showcasing our personalities and stories in her work. Emily is the real deal and we couldn't recommend a better person to capture the big day."
